

Attendance is required at **ALL CBL** Group Sessions. According to Ohio University Policy, the following absences are the only absences considered as legitimate excused absences: serious illness, death in the immediate family, religious observance, jury duty, and involvement in university-sponsored activities*. If a student must miss a CBL Group for one of the legitimate excuses listed above, s/he must notify his/her facilitator before the missed session. Any student, who misses a CBL GROUP session for any other reason, must make an appointment with the Assistant Dean for Pre-Doctoral Education to discuss the absence. Students with unexcused absences are subject to being assigned a grade of Failure for the Clinical Skill Course.

*Please note - absences for this last category (university-sponsored activities) must be pre-approved by your Instructor of Record.
