AID FOR

AN URGENT APPEAL FOR HAITI RELIEF

HAITI

Residents and other medical volunteers who have the needed skills to help the injured in Haiti are willing to volunteer, but may lack sufficient funds to travel.

You are one step away from having a direct role in easing the suffering of Haitian earthquake victims and helping them regain health.

The earthquake that struck Haiti January 12 left thousands of survivors in need of lifesaving medical attention. In cooperation with DELTA Ministries International, the **Ohio University College of Osteopathic Medicine will send medical relief volunteers to the devastated nation.**

OU-COM and CORE volunteers will be stationed at Clinic Lilavois, a charity mission hospital. Our team is preparing to depart for Haiti in a few short weeks.

In addition to travel funding to put our volunteers on the ground in Haiti, we are seeking contributions of medical supplies and monetary donations to help with the cost of purchasing these supplies.

Your donation to the OU-COM Haiti Relief Fund will allow the college's physicians, staff, residents, and alumni to volunteer their time and expertise delivering desperately needed medical care to injured Haitian citizens.

Please consider supporting the college's relief efforts by making a tax-deductible donation to the Ohio University College of Osteopathic Medicine today. To contribute, please contact Sharon B. Zimmerman, director of medical development, at 740.593.2176, or return the completed donor card to the Ohio University College of Osteopathic Medicine, Grosvenor 205, Athens, Ohio 45701.
